

SUBRATA DAS

B.Tech CSE (AIML) Student | Python & C Developer | Aspiring Software Developer

Nandigram, Purba Medinipur, West Bengal | +91-7980871566 | subratadas991915@gmail.com

LinkedIn: linkedin.com/in/subrata-das-a38b11396 | GitHub: github.com/subrata131

CAREER OBJECTIVE

B.Tech Computer Science and Engineering (AIML) student with hands-on experience in Python and C, basic DSA, API integration, database fundamentals, and practical application development. Seeking a Software Developer Internship to apply problem-solving skills, contribute to real-world projects, and grow through hands-on engineering experience.

EDUCATION

B.Tech – Computer Science & Engineering (AIML)

BRAINWARE UNIVERSITY | 2025–2029

CGPA: 9.00

(till 2nd semester)

Higher Secondary Examination (12th)

WBCHSE | 2025

80%

Secondary Examination (10th)

WBBSE | 2023

84%

TECHNICAL SKILLS

- **Programming:** Python, C, MySQL
- **Computer Science:** Basic Data Structures & Algorithms, Problem Solving, Database Fundamentals
- **Web / APIs:** HTML, Streamlit, REST API Integration
- **Tools:** GitHub, MS Office

PROJECTS

Skye Weather | Python, Streamlit, OpenWeatherMap API

- Built a real-time weather web application that fetches live weather data and displays a 5-day forecast.
- Integrated an external weather API and presented dynamic data through an interactive interface.

Student Performance & Career Prediction System | Python

- Built a basic application to analyze student performance and implement simple prediction logic.
- Worked with input data, basic processing, and problem-solving logic.

Student Mark Manager | Python

- Developed a student-record management system supporting add, update, search, and delete operations.
- Implemented file handling for persistent data storage and retrieval.

Smart Task Manager | C

- Developed a task management system for priorities and deadlines using structured programming concepts.
- Organized task data and implemented core task-management operations.

CERTIFICATIONS & EXPERIENCE

- Python for Beginners – NIELIT Calicut (2026)
- MicroPython for Beginners – NIELIT Calicut (2026)
- Basics of Data Structures and Algorithms (2026)
- C Programming Basics (2026)
- **Python Programming Intern – CodSoft:** Completed a 4-week internship in April 2026, working on Python projects and strengthening problem-solving skills.
- **Infosys Springboard:** Completed courses in Basics of Python and Software Engineering & Agile Software Development.

ADDITIONAL

Languages: Bengali, English, Hindi | **Extra-curricular:** Drawing & Sketching — 1 year continuous training and practice (2024–25) |

Hobbies: Photography, Cooking
